Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,  
I OBJECT to the definition of "inordinate amount" which restricts the availability  
and the right to obtain medically necessary compounded medications by limiting  
the number of prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

COMMENTS:

I've been using compounded natural HRT  
from Madison Pharmacy for several years and it's worked -  
unlike the "one size fits all" pills the pharmacies dispense  
in my area. STOP trying to decide what's best for me,  
my doctor uses this out of state pharmacy & I trust  
his judgment.
